

In the month of August, Harvest House serviced 18 foster families and Alee shelter. We provided them the basic necessities of clothes, shoes, and essentials. Harvest House also received a total of \$2,582.24 in monetary donations to help in our ongoing efforts to love the foster children on Guam.

### Bible Journaling Workshop

After the back-to-school event, students were invited to attend a Bible journaling workshop. The workshop involved using creative ideas to emphasize special verses or passages of the Bible. The girls who attended the workshop were encouraged by Christian fellowship and learned a new way to meditate on God's Word.

### Military Volunteer Service

Another follow-up to the back-to-school event was a clean-up crew who volunteered as a part of their military leadership training class. We were blessed to have such joyful and efficient assistance with power washing our facility, gardening the premises, organizing our donations, deep cleaning the areas where we serve foster children and transporting our goods. They organized a follow-up donation drive to meet many of the current needs at Harvest House. Thank you, Airman Leadership 18F!

### Pink Ball

Josh and Bethany Taylor attended the annual Pink Ball, which raised support for five local organizations on Guam including Harvest House.

## Emergency Placements

In addition to the foster families serviced through donations, we were privileged to care for 6 children needing emergency placement this month. They came to Harvest House and were lavished with love from multiple volunteers. Our hearts were filled with joy by their smiles and heartbroken by their tears. Please pray for the children as they adjust to new people and places, and praise God for His continued love and care for the fatherless.

---

## Private Adoption

Harvest House was able to assist an expectant mom who desired to give her baby up for adoption. She chose a family within our church body. We witnessed God at work on so many levels. Everyone involved had their faith strengthened, and we give all the glory to God who provided above and beyond what we asked.
