

In the month of September, Harvest House serviced 15 foster families, Latte Treatment Center, Sanctuary Incorporated and Aleo Children's Shelter. We provided them the basic necessities of clothes, shoes, and essentials. Harvest House also received a total of \$2,873 in monetary donations to help in our ongoing efforts to love the foster children on Guam.

Foster

New Foster Children

In just 1 week, Harvest House serviced four foster babies under the age of one, three of whom were newborns. Praise God for how He provided the necessities for these little ones through donations to our Resource Center.

New Licensed Parents

We are happy to welcome two new licensed foster families this month! This increases the number of licensed foster parents on Guam from 28 to 30. Please continue to pray that God will provide more foster families for every new foster child needing a home – as well as, the children waiting at the shelters.

Volunteer

Foster Family Shopping Day

On September 8, Harvest House hosted an event to provide clothing and household items for foster families. Five volunteers helped organize donations and interacted with families. Saturday was the perfect day to give teens and school-age foster kids a chance to shop!

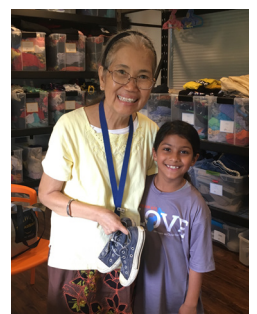

Typhoon Preparation at Harvest House

Five military volunteers came to help prepare the Harvest House Resource Center on September 9. Thankfully, only one window leaked into the building during the storm. Praise God for protecting our building and our island. We continue to assist foster families and relative placements affected by the storm.

New Volunteers

We met with 13 new volunteers this month and are excited to share our ministry and hearts with these people willing to help. Please contact our Resource Center if you would like to be a volunteer!

Educate

Foster Parent Informational Meeting

On September 18, we invited Grace Iwashita from Child Protection Services to Harvest House to explain the steps required to become a foster parent. She gave each potential parent a packet with all of the required paperwork included and was available to answer any questions related to the process. We are excited to have her back again on November 20 at 12:30 p.m. and 6:30 p.m.

Donate

Special thanks to Atkins Kroll, Inc. for donating to Harvest House as a part of the AK Community Matters program. We value your partnership as we care for the foster community on Guam together!

Current Needs

Wipes, shampoo, body soap, laundry detergent (small size), dish soap (small size), Band-Aids, deodorant, razors, lotion, children's vibrating toothbrushes, children's toothpaste, feminine hygiene products, and diaper bags.

Future Goals

Please pray with us and consider how you can be a part of our dreams for Harvest House:

- 1) **Orphan Sunday** – coming up on November 11 at Harvest Baptist Church
- 2) **Harvest Home** – a place we hope to build so our personnel can care for emergency-placed foster children
- 3) **Harvest Homes** – our future goal to expand into a village of Harvest Homes and create an environment of faith, support and love to every child.

Let us know if you have any questions about how you can join our mission to: Adopt. Foster. Volunteer. Educate. Donate. Everyone can do something for a foster child!
