

In the month of October, Harvest House serviced 16 foster families and Alee Children's Shelter. We provided them the basic necessities of clothes, shoes, and essentials. Harvest House also received a total of \$8,655 in monetary donations to help in our ongoing efforts to love the foster children on Guam.

Past Events

Foster Parent Support Meeting

October 5, over fifteen parents and social workers met together at our monthly foster parent support meeting. We were able to discuss better ways to communicate about the foster children's needs. We look forward to more discussion to continue improving the foster care system on Guam!

Volunteer Day

Harvest House is so thankful for the help we received at the volunteer day on October 6. Together, we were able to deep clean the facilities and organize bins full of donations. Thank you for donating. Thank you for volunteering. Many families will be influenced by the care you showed.

Pink Ball Check Presentation

October 10, Harvest House board members met with the Pink Ball Association to receive a check from the proceeds of their August fundraiser event. We were blessed to be a part of the Pink Ball event, and we look forward to using the donations to continue our care for the fatherless.

"Every good gift and every perfect gift is from above, and comes down from the Father of lights, with whom there is no variation or shadow of turning." James 1:17

Fall Fest Field Day

Thank you to the Guam High School Chapter of National Honor Society for organizing a fantastic event! On October 27, twenty high school students paired up with foster children to participate in fall activities for the day. Together, they enjoyed playing games in the gym, making slime and spider-web crafts and lots of snacks! Each foster child brought home a basket of goodies including their two crafts and a toy from Harvest House. We loved seeing all the smiles at this event!

Future Goals

Please continue to pray with us and consider how you can be a part of the future goals for Harvest House:

- 1) **Harvest Home** – We hope to build a place so our personnel can care for emergency placed foster children.
- 2) **Harvest Homes** – Our future goal is to expand into a village of Harvest Homes and create an environment of faith, support, and love to every child.
