

In the month of December, Harvest House serviced 28 foster families, Alee Children's Shelter, Latte Treatment Center, Sanctuary Incorporated of Guam and Serenity Shelter. The foster community joined together at our annual Christmas Celebration to enjoy carnival games, gingerbread houses, a catered meal and Christmas gifts. More than 200 people donated gifts or volunteered their time to be a part of this event. Harvest House also received a total of \$8,541.60 in monetary donations to help our ongoing efforts to love the foster children on Guam.

Christmas Celebration

Children were filled with anticipation during the days and weeks leading up to the Christmas event. Our hearts were full to see their smiles and hear their laughter as they experienced the festivities. They even got to see "snow"! This event might have been the very first positive Christmas memories for some of the children and teens. Thanks to everyone who made this day so special.

Community Shopping Day

Harvest House continues to reach out to community members in need through a monthly community shopping day. This month, we served over 50 community members with free household items and clothing. We are excited to have enough resources to give above and beyond our mission to serve the foster community.

Future Goals

Please continue to pray with us and consider how you can be a part of the future goals for Harvest House:

- 1) **Full-time babysitting** – With a rotation of volunteers, Harvest House could provide day-time care for foster children while their foster mom's work.
 - 2) **Harvest Home** – We hope to build a place for our personnel to care for emergency-placed foster children.
 - 3) **Harvest Homes** – Our future goal is to expand into a village of Harvest Homes and create an environment of faith, support, and love to every child.
-

Thank you for partnering with us to service the island's most vulnerable children. We hope you experience the abundant life that comes from knowing Christ this Christmas season. Merry Christmas from all of us at Harvest House!

"I have come that they may have life, and that they may have it more abundantly."
