

# HARVEST HOUSE

May - July 2022

## WHO WE SERVED

Harvest House serviced over 300 children May-July. These children came from about 90 foster families, 10 shelter visits, 5 emergency placement cases, 5 family preservation efforts, and 2 adoption cases. Harvest House is honored to be a part of these children's lives and offer them hope through meeting their physical needs!

## HANSEL PHELPS SERVICE DAY

Thank you to Hansel Phelps and all the amazing volunteers that donated their time and skill to help fix our Resource Center floors. Our facility looks and functions so much better because of all their hard work.

## NATIONAL FOSTER CARE AWARENESS MONTH

In May, Harvest House celebrated National Foster Care Awareness Month! Local businesses partnered with Harvest House by offering a discounted service or gift certificate to our licensed foster families throughout the month. Thank you to all of our Foster Friendly Businesses for making this month so special for our awesome kids!
