

## 2023 NEWSLETTER

Hafa Adai!

What an amazing year it has been at Harvest House! As we look back at 2023, we stand in awe of God and His continual faithfulness to our organization. He has blessed us in so many ways, and we could not have done it without our donors, volunteers, and community partners. In 2023, Harvest House was able to:

- **Service 80 foster children through our emergency triage center.**
- **Provide essential resources for 1,402 shopping appointments.**
- **Host our 3 major annual events for the foster community.**
- **Recruit, train, and retain 22 new licensed foster families through monthly informational meetings and support meetings.**

The year was filled with challenges, celebrations, and new projects for Harvest House. We are specifically grateful for the individuals and organizations that came alongside us after Typhoon Mawar and helped us provide emergency kits and meals to families in need. Our Resource Center had taken a lot of damage during the typhoon but thanks to our donors, we were able to fix the roof, awning, and air conditioning units. We also installed a brand new playground for our families to enjoy and started the build of our new Training Center this year! We are excited to have a larger facility to host families for informational meetings, support meetings, foster parent trainings, as well as aid foster children directly through educational support services.

It truly is a privilege to be able to walk alongside our families through the ups and downs of their foster care journeys. We weep with them in the hardships of their stories and rejoice in the hope we have in Jesus. He is in the business of making all things new, and He cares for every child in the foster care system. Thank you for pouring into our ministry and allowing us to do what we do! We look forward to all that God has in store for us in the new year!

Sincerely,  
The Harvest House Team
